Engineering diversity scholarship program

Territory Generation and Engineers Australia have partnered to provide a \$10,000 scholarship program to foster diversity in the engineering sector. Two scholarships, worth a total of \$5,000 each, will be offered in 2017 over two semesters. One scholarship will be awarded to an Indigenous Australian enrolled in a Bachelor of Engineering at Charles Darwin University and the other will be awarded to a female enrolled in a Bachelor of Engineering at Charles Darwin University. Scholarship recipients will also be given the opportunity to undertake valuable work placements with Territory Generation during 2017's semester breaks.
