The Procurement Activity Plan includes all anticipated tender opportunities over the 2025 - 2030 period. Procurement activities forecast for the next 12 months are more likely to eventuate than those planned procurement activities identified in the outer years.

Procurement Capability and Capacity

The Procurement Activity Plan clearly defines the expectations around staffing, enabling us to better manage our resources during busy periods and strategically plan these procurement activities to achieve the best outcomes for Territory Generation.

Value for Territory

Territory Generation contributes to the development of the Northern Territory and as such encourages the procurement of goods, services and works from Territory Enterprises. Territory Generation provides all competitive Territory Enterprises with full, fair and reasonable opportunity to participate in the growth of the Northern Territory.

The definition of a Territory Enterprise is a business which maintains a local Northern Territory office, manufacturing facility or other permanent base and employs local people.

Disclaimer

Territory Generation recognises the important role of local businesses in the delivery of essential services for the Northern Territory. Territory Generation is committed to opportunities for industry and the business community.

In publishing this 'Territory Generation Procurement Activity Plan 2025-2030', Territory Generation provides up to five years notice of planned goods, works and services contracts.

While this information is subject to change, it is released in good faith based on best estimations with the intention of informing business about anticipated tender opportunities.

Awareness of future projects and longer lead times will help local business in planning and preparing for tenders, including strategic partnerships, as well as capabilities and resource preparations.

Together with the contributions of its contractors and suppliers, Territory Generation looks forward to continuing to deliver its vision to be the Northern Territory's trusted and respected energy services business.

The Procurement Activity Plan 2025-2030 is published for forecasting and planning purposes only. Territory Generation does not commit to proceed to tender on any of the listed activities.

By communicating this information, Territory Generation does not guarantee any activity item, schedule, contract value or the option to tender if a contract has been awarded.

At its absolute discretion, Territory Generation may at any time, vary, substitute, cancel and/or proceed (in part or entirely) any item listed in the Procurement Activity Plan 2025-2030.

No current or future claim exists against Territory Generation for its publication of this Plan, or the exercise of its discretion to revise or cancel its procurement activities.

Click on the 'Significant Activity' tab to view anticipated procurement activities for 2025-30.
